The official ALBERT Sustainable Suppliers lists are accessed here
<https://wearealbert.org/search-suppliers/>

This is a Global Listing of the **very few** truly sustainable suppliers in the United Kingdom and worldwide that meet the very strict conditions demanded by BAFTA Albert Sustainable on behalf of BAFTA Members

BAUER Consultants with NATURAMA is the only Biocide, Disinfectant and Hygiene manufacturer and supplier listed. Production companies strive to achieve Sustainability and having BAUER provide a fully accredited ALBERT assessed range of hygiene products is exceptionally important.

On many productions seen on TV, stage and Cinema the ALBERT Sustainable logo is prominently displayed, normally at the end-credits

ALBERT Sustainable is explained here
